2446.00 OP

Therefore, Commissioner is hereby authorized to charge the foregoing total fees of \$2,446.00 for the difference due to our deposit account no. 50-1302. The patent owner hereby requests acceptance in full payment of the deficiency due. However, if the calculation is insufficient, or in excess of the amount actually due, the Commissioner is hereby authorized to charge the foregoing total deficiency amount (including any applicable processing fee) or to credit any overpayment to our deposit account.

The patent owner further states that, at the time of payment of each of the fees itemized above for the patent, the applicants and the patent owner believed in good faith that the applicants had small entity status. The patent owner recently discovered that such small entity status was claimed in error.

The patent owner also submits that the within payment should be treated as a loss of entitlement to a small entity status under 37 C.F.R. §1.27(g)(2).

Questions regarding the within payment may be addressed to the undersigned.

Respectfully submitted,
